

1. Design Parking Lot
2. Design Vending Machine
3. Design ATM
4. Design Library Management System
5. Design Elevator System
6. Design Traffic Light System
7. Design Meeting Room Scheduler
8. Design Snake and Ladder Game
9. Design Tic-Tac-Toe Game
10. Design Chess Game
11. Design Splitwise
12. Design URL Shortner
13. Design BookMyShow
14. Design Uber
15. Design Food Delivery Application
16. Design Online Hotel Booking System
17. Design Airline Management System
18. Design Restaurant Management System
19. Design Inventory Management System
20. Design Car Rental System
21. Design Cache System
22. Design Rate Limiter
23. Design Logging Framework
24. Design Notification System
25. Design Payment System (LLD)
26. Design File System
27. Design Task Scheduler
28. Design Search Autocomplete System
29. Design API Throttling System
30. Design Feature Flag System
31. Design LinkedIn (LLD focus)
32. Design Amazon Order Management System
33. Design Truecaller
34. Design Chat Application (WhatsApp-like)
35. Design Community Discussion Platform (Reddit-like)
36. Design Online Voting System
37. Design Calendar Application
38. Design Learning Management System
39. Design Stock Exchange System
40. Design CricBuzz
41. Design BookMyShow Seat Locking
42. Design Distributed ID Generator (Snowflake-like)
43. Design Circuit Breaker
44. Design Retry with Backoff Mechanism
45. Design Metrics and Monitoring System
46. Design Authentication System
47. Design Role-Based Access Control System (RBAC)
48. Design Web Crawler (LLD focus)
49. Design Recommendation Engine (LLD focus)
50. Design Event-Driven Producer-Consumer System
